Dear Mr. Develing,

RE: Sentech Decoder Purchase Order # 45015718

Sentech is a State-Owned Enterprise reporting to the Department of Communications (DoC). UEC Pty (Ltd) has previously done business with Sentech and is aware of the strict compliance procedures required by the Public Finance Management Act No. 1 of 1999 ("PFMA") and the Treasury Regulations, as these documents are published in the government gazette.

Sentech is complying with the PFMA and request UEC to immediately place on hold the production of the 70 000 decoders as per the order form from Sentech dated 10-06-2009, until Sentech is fully compliant with the PFMA. It is Sentech's assertion that it is in the best interest of both organisations to comply with the PFMA.

Sentech asserts that it is the best interest of both companies that Sentech is fully compliant with relevant legislation. Sentech will revert on the way forward in due course.

Yours sincerely

MS. BEVERLY NGWENYA
