

# New Nokia 6

EMEA & APAC  
Single SIM / Dual SIM

Built to last

## Colours

Black/Copper, White/Iron, Blue/Gold

## Key features

### Built to last

- Built on the well-loved design of its predecessor, the new Nokia 6 is crafted from a single block of 6000 series aluminium finished with two-tone anodization to stand out from the crowd
- Robust and made to take everyday knocks thanks to the seamless aluminium unibody and sculpted 2.5D Corning® Gorilla® Glass
- More compact than the previous generation, with an optimally positioned fingerprint sensor for a seamless user experience
- Outstanding structural integrity and best in class craftsmanship delivering a product that is truly built to last

### Performance to please fans

- Bright 5.5" full HD IPS laminated display with great contrast in a more compact form
- Qualcomm® Snapdragon™ 630 Mobile Platform available with either 3GB or 4GB RAM (32GB/64GB ROM)
- 16MP rear camera with ZEISS optics and dual-tone flash for crystal clear images. 8MP wide-angle front camera
- Dual-Sight technology helps you tell both sides of the story, creating the #Bothie by using both front and rear cameras simultaneously. Broadcast live to social networks including Facebook and YouTube
- Unlock a new dimension of sound with Nokia spatial audio capture and playback technology
- 3000mAh battery with USB type-C fast charging. Get 50% charge in just 30 minutes

### Pure, secure and up-to-date with Android One

- Regular software updates to keep your phone up-to-date, safe and secure, now with Android One
